Dear Ms. Brandt,

On behalf of the staff of Doctors Without Borders/Médecins Sans Frontières (MSF), I want to thank you for your generous gift of \$15,000.00 received on October 5, 2017.

We would like to acknowledge your generosity by including your name — which will appear as “NOVA Open Charitable Foundation, Inc.” — in publications such as our annual report. If you would like us to make a correction, please call [646-253-4518](tel:646-253-4518) or email USannualreport@newyork.msf.org within the next 30 days.

Your contribution helps ensure that our patients receive the care they so urgently need, no matter their circumstances. In the last few months alone, support from caring donors like you has helped us respond to a range of emergencies in more than 70 countries, including:

- *Rohingya Refugee Crisis:* After a wave of violence against ethnic Rohingya civilians, 400,000 have fled to camps in Bangladesh. We have treated over 13,000 people so far.
- *War in Syria:* Our teams are providing urgently needed care through our four health facilities, three mobile clinics, and the 73 other health facilities that we support.
- *Cholera in Nigeria:* In Borno State, our teams are running 24-hour clinics to help stop an outbreak threatening people who already face high rates of malnutrition and malaria.

Our critical work to deliver emergency care to people caught in these crises wouldn't be possible without your generous support. Thank you for being part of our important lifesaving mission.

Sincerely,

Jason Cone
Executive Director
